

Grade 1 – 9 Application Checklist

Thank you for choosing to apply at Menno Simons Christian School (MSCS). MSCS is a Christian educational community within the Anabaptist/Mennonite faith tradition. Together with the home and the church, it offers an Education for Life providing opportunities for students to integrate sound academic learning with growth in character, faith, and service to God. We are proud to be part of the Palliser Regional School Division.

To ensure that your application is processed the following information must be submitted.

MESC (Mennonite Educational Society of Calgary) Family Application

Menno Simons Christian School - Partnership Commitment

Mission Statement

Menno Simons Christian School strives to assist students to integrate Christian faith with their experience and with their living. Our school provides a sound academic curriculum taught and modeled by Christian professionals, in a setting where students are nurtured as they learn, question and form life values. Together with the family and the church, Menno Simons Christian School offers an education for life, preparing students for effective participation in the community through Christian discipleship, service and peacemaking.

Our commitment to our students

At Menno Simons Christian School, we endeavor to have a healthy and caring climate in which all members of our community – students, teachers, volunteers, staff and parents – feel respected, cared for and welcomed. Students at Menno Simons Christian School may expect to receive effective instruction and evaluation in orderly classes, and will be given opportunities to participate in the life of their school in ways that will develop their ability to lead, to cooperate with others, and to be responsible participants. Our school community will show a genuine interest in them as people, recognizing their individual differences and worth. They will have modeled for them the Christian walk, and will be nurtured in their search for and formation of life values.

Student Expectations

Menno Simons Christian School expects each student to demonstrate high standards of effort and achievement in academic studies, in personal conduct, and in school participation and citizenship. We expect our students to be serious about learning, and to give their best effort in all of their classes and activities. Students are responsible for participating positively in school and class activities, bringing required materials to class, completing assigned work and abiding by the dress code.

Family Commitment

Our family endorses the school's statement of faith, the Educational Philosophy, and will support the implementation of the school program, including the curriculum and the enforcement of regulations. Our family commits to supporting our children through regular communication with the teachers and administration, accepting that in communication with our family MSCS has the right to discipline my child if he/she does not respect its standards. Our family will practice the principles in Matthew 18 and resolve any difficulties with school personnel directly. If the conflict is unresolved, we will discuss the matter with the next person in authority (typically teacher and then administration). Our family will strive to regularly attend functions requiring parent participation and will be active members of the community by volunteering our gifts and talents in an effort to create the best possible learning environments and community for the students.

Declaration: I have disclosed any and all information regarding my child's history that would affect his/her educational, emotional and physical needs.

I acknowledge that it is not always possible to meet every child's needs due to limitations of resources, space or funding. When in the opinion of the Administration, my child's educational, emotional or physical needs cannot be met, I am aware that I will not be able to register at Menno Simons Christian School.
